Dear Ms. Molock:

Accompanying this LETTER OF TRANSMITTAL you will find a check in the amount of:

I have made this check payable to the "University of Southern California", and I wish these monies to be used for the support and benefit of the education activities of the production students studying at the School of Cinema-Television.

I am aware of the considerable budgetary limitations faced by students as they attempt to produce films and videos of notable quality in line with their course work in your program, and I am happy to provide this production support to further their efforts.

Of particular interest to me is the project entitled **Seven Swans**, production no. **021-587-5777** and produced by a student crew led by **Dennis Serras** and **Kate Kelsey**.

I would urge you to look favorably upon any special needs which this production might encounter. I do understand, however, that my donation to this fund is for the general benefit of all such student productions.

Very truly yours,
